

ALTERNATING ATTENTION

Challenge #2: Connect the dots by drawing lines between them. Connect them in order of the colors listed on the left side of the page. Connect them in numerical order. For example, start with the pink dot with a 1 in it, then draw a line to the yellow dot with a 1 in it, then draw a line to the green dot with a 1 in it, then draw a line to the grey dot with a 1 in it, etc.
