

## Rearrange the sentence

### Instruction

Rearrange the scrambled words on each line to make a sentence. Write the words on the line, or say them out loud. Do not leave out any words.

1 cats milk like

---

2 bag my was heavy

---

3 painting very was the beautiful

---

4 the take to car I must my garage

---

5 late running is the ten minutes train

---

6 wines produce quality French the high

---

7 the day stopped all ringing phone has not

---

Now try to make up your own scrambled sentence that says something about you.
