

**Part II**  
**Cognitive rehabilitation**  
**– Language/thinking**

### Instruction

Give two or more meanings for the following words. Do not worry about the spelling – you are only thinking about the phonetic sound.

*For example: Draft. The first meaning could be 'a wind'. The second meaning could be 'a first version of a written document'. The third meaning could be 'to be conscripted into the armed services'.*

The spelling of each given word may be altered as long as they sound the same.

Note: There is not always a third meaning for each of these words.

Word	First meaning	Second meaning	Third meaning
Spring			
Blue			
Through			
Plant			
Right			
Table			
Nail			
Bean			
Marble			
Step			
Grass			
Bat			
Train			
Score			
Prize			
Court			
Stick			

Now try to think of other words with multiple meanings.
